

Viewing Your Schedule in MySlice

Full-time residential 1L students are registered for classes automatically by the College of Law registrar's office in August and are non-revisable. Once you have been registered for classes, you will receive an email from the registrar's office to your syr.edu email address. Below are instructions on how to access your schedule in MySlice.

1. Open the MySlice Web Portal at myslice.syr.edu.
2. Login with your netID & password.
 - a. Forgot your password? Click on *Forgot your Password? beneath the Sign In button.*
3. Under the Main Menu of MySlice, locate the **Student Home** section at the top of the screen, look for the "**Enrollment**" tile, and then click on "**My Class Schedule.**"
4. Select the bubble next to **Fall 2023 | Law** and click Continue. Your course schedule will appear in a list; we recommend that you change display option at the top to **Weekly Calendar View.**
5. Once the calendar appears, it helps visually to go to the bottom and select *Show Class Title* and *Show Instructors*. You may also want to de-select Saturday and Sunday then Refresh Calendar.
6. You now have an easy & printable way to view your weekly schedule.
