To “Activate your NetID”, go to: <http://its.syr.edu/netid/>

- **Credit and Debit Card**

Online payments can take up to 2 business days to post to your account. Please plan accordingly.

- Log in to MySlice at <http://myslice.syr.edu>
 - [Multi-Factor Authentication \(MFA\)](#) is enabled for all Syracuse university faculty, staff, and students including admitted students. You will be prompted to enter your SYR email address (your NetID + @syr.edu), and the password you just created when activating your NetID.
- After logging into your MySlice account, go to “Law Seat Deposit” tile.
- Click on “**Pay Advance Tuition or Housing Deposit by Credit Card**” option and then “**Advance Tuition Payment - Returning Students or SU Abroad**” enter in the deposit amount listed on your admissions email.
 - *Please note - turn off your pop-up blocker to prompt the payment screen.
 - *It may prompt a \$500 payment - you can change this amount to the amount listed in your admissions letter and email.
- NelNet Business Solutions, an independent third party contractor, accepts payments to the Bursar account and charges a non-refundable convenience fee based on the amount charged. The convenience fee is 2.8% of the amount charged. This fee is established and charged solely by NelNet Business Solutions and not by the University. The convenience fee is paid in full to and retained by NelNet Business Solutions; the University does not receive any of this fee. The charge for the convenience fee will appear separately from the payment on your credit card statement.
