

OFFICE OF CAREER SERVICES

SYRACUSE UNIVERSITY COLLEGE OF LAW

Reciprocity Policy

Syracuse University College of Law's policy concerning career services assistance that may be provided to students and graduates of other law schools is as follows:

- Reciprocity does not include counseling services or participation in our on/off-campus interview program.
- Reciprocity requests are considered individually and are primarily granted on a one-to-one basis. The Office of Career Services reserves the right to suspend access by students or graduates of law schools whose requests for reciprocity become substantially disproportionate to Syracuse University College of Law's requests.
- Advance written notice must be received from the requesting student or graduate's law school prior to establishing reciprocity. Please ask your students to wait for confirmation before contacting our office.
- Career Service's facilities and services are not available to your students and graduates between July 15 and November 15 of each year.
- Reciprocity will be granted for three months, starting from the date of the request, or until the dates stated above.
- Please direct all inquiries to:
